

About

GeneralCounselNews.com is designed to provide news, content and announcements to our core audience of more than 90,000 general counsel, executives and other in-house attorneys throughout the United States.

There never are any fees to post, read or attend anything appearing on our site. Feel free to submit our “Post News & Events” or “Post Announcements” form and we should have your listing online within 24 hours.

We are focused on providing the best customer service, results and quality experiences for our end users and advertisers. For advertising information [click here](#).
