

Fish & Richardson Named #1 PTAB Law Firm

Fish & Richardson has been named the number one most active law firm at the Patent Trial and Appeal Board (PTAB) for 2014. Fish represented clients in 154 proceedings – more than any other firm – and also ranked as the most active firm representing petitioners at the PTAB.

In a release, the firm said the analysis, conducted by *Managing Intellectual Property* (MIP) magazine, noted that 2014 was “by far” the record year for filings at the PTAB, with 1,677 *inter partes* review, covered business method review, and post-grant review petitions listed in the Docket Navigator database between January 1, 2014 and December 31, 2014.

“Fish brings a potent combination of technical know-how, patent prosecution skills, and litigation savvy to the PTAB,” said Karl Renner, co-chair of Fish & Richardson’s Post-Grant Practice Group.
