

# Top 10 Environmental Lawyer Joins Boutique Law Firm

Jennifer Nijman and Susan Franzetti announce the addition of E. Lynn Grayson, to Nijman · Franzetti LLP of Chicago.

“Susan and I are thrilled to have Lynn practicing with us. Lynn is among the most experienced and respected lawyers in environmental law and is a perfect addition to our growing environmental law boutique,” said Jennifer Nijman.

“Lynn’s nationwide connections and experience are second to none and will only further assist our client’s nationwide interests,” said Susan Franzetti. “We could not have asked for a better addition to the firm.”

Grayson joins Nijman · Franzetti from the Chicago office of Jenner & Block where she practiced for 24 years and was Jenner’s Environmental Department Chairwoman. She has also served as the Chief Legal Counsel for the Illinois Emergency Services and Disaster Agency and the State Emergency Response Commission. Prior to this, she prosecuted federal and state environmental cases as an Assistant Attorney General for the State of Illinois.

Grayson also serves on the Board of Directors of the DC-based Environmental Law Institute. In 2017, she was elected Secretary of the Chicago Bar Association. She is a frequent author and speaker on environmental law and policy matters. She received the City of Chicago Recognition Award for Service to the Environmental Community and was recognized as Best Lawyers’ Chicago Environmental Lawyer of the Year.

“Jenner & Block is an exceptional firm, and I have many professional and personal friends there,” she said. “But it is a matter of timing and my growing envy for what Susan and Jennifer created. They each left great firms and in 10 years

established what is really without equal in the country. The more I considered how beneficial their law firm model could be to my clients, the easier the decision became.”
