

Are You Prepared for GDPR? Take the Survey

The General Data Protection Regulation (GDPR) will become law in all EU jurisdictions on May 25, 2018 and will impact organizations that handle EU citizen data for any number of reasons, from employment to customer relations to marketing. Just because a company is not based in or even operating in the EU doesn't mean GDPR won't apply.

It is a broad and wide-ranging regulation that is posing significant challenges for the types of clients Yerra serves, namely global corporations in highly-regulated industries such as banking, consumer goods and pharmaceuticals.

To gauge readiness for GDPR across industries and global regions, Yerra has launched an [industry survey](#) to help benchmark where global corporations are in their preparations. The GDPR Reality Check survey is being run in collaboration with the Blickstein Group and will be open for submissions through the end of May 2017.
