Download: Contract Management Software Selection Guide

ContractWorks has published "The Contract Management Software Selection Guide" and made it available for downloading at no charge.

"As corporate counsel, it's important that you understand the capabilities — and limitations — of contract management software," the company says on its website. "This guide will help you determine if you need a solution and, if so, which option makes the most sense."

The new guide discusses:

- If it's time to upgrade your contract management system
- Which features you actually need to manage your contracts
- What to take into consideration before making a decision
- How to select contract management software
- How to choose the best solution for your company
