

Podcast: The Whistleblower's Dilemma

The Society of Corporate Compliance and Ethics has posted [a podcast](#) titled “Paul Fiorelli on Snitches Get Stitches: Our Feelings About Whistleblowers.”

Fiorelli is Professor of Legal Studies and Co-Director, Cintas Institute for Business Ethics at Xavier University.

“We all admire whistleblowers who call out wrongdoing and help right a wrong, at least we do in the abstract. But, as case after case has shown, whistleblowers are rarely so admired by their peers,” the SCCE says in its introduction to the recording.
