## Next Generation Enterprise Legal Management: People. Process. Automation

During the 2017 CLOC Annual Legal Operations Institute in Las Vegas, Onit and PayPal presented a session titled, "Next Generation Enterprise Legal Management (ELM): People. Process. Automation." The speakers were Lauren Giammona, Director of Operations, Business Affairs & Legal at **PayPal**, and Eric M. Elfman, founder and CEO of **Onit**.

Lauren outlined her implementation experience and shared her 7 key tips for selecting an enterprise legal management (ELM) vendor.

Legaltech News wrote a detailed article summarizing our CLOC session. (See the form below to download the article.) PayPal and Onit discussed how legal departments can provide "continuous" value to the company, drive operational improvements and allow employees to work in the systems they prefer. The session highlighted:

- The importance of process, workflow and collaboration
- How a business automation tool solves needs beyond ebilling and matter management
- Key benchmarks and metrics that drive innovation and transformation in legal operations
