

# Population Health Strategies for Employer-Based Coverage

✖ Epstein Becker Green and EBG Advisors, as part of the Thought Leaders in Population Health Speaker Series, will host a complimentary webinar on emerging trends in value-based purchasing in health care.

The webinar will be Tuesday, August 26, beginning at noon Eastern time.

The session, Population Health Strategies for Employer-Based Coverage, will assess how employers and other health plan sponsors are developing new programs to promote enhanced clinical and financial outcomes for the groups and populations they manage. In particular, speakers will highlight how the Affordable Care Act (ACA) is influencing population health management strategies for employer-based coverage.

The webinar will be led by two thought leaders from the Health Care Incentives Improvement Institute (HCI3): Francois de Brantes, MS, MBA, Executive Director; and Douglas Emery, MS, Program Implementation Leader, Western Region. Gretchen K. Young, Senior Vice President, Health Policy, The ERISA Industry Committee (ERIC), will also serve as a panelist and Adam Solander, Associate, Epstein Becker Green, will moderate the session.
