

# Creating Material Wealth for Business Owners & Labor with ESOPs

Bloomberg BNA, PKF O'Connor Davies LLP, Prairie Capital Advisors, and Sadis & Goldberg LLP will present an **exclusive live event** on using employee stock ownership plans (ESOPs) to support growth and ownership transition strategies.

The event will be Thursday, June 1, 2017, 3-5:15 p.m., with a reception to follow. The location will be at Bloomberg LP, 120 Park Ave., New York, NY 10017.

On its website, Bloomberg says this program will explore all of the ways in which a business can utilize ESOPs to create favorable conditions for financing, allow for acquisitions, attract top talent, and generate wealth for both owners and employees.

ESOPs are commonly used by an owner seeking to retire, however, in today's business market of successful start-ups, there's an opportunity to consider them earlier in the lifecycle of the company. ESOPs, when done properly, may position the company for financing, allow for acquisitions, help attract and retain top talent in a competitive environment, and create wealth for owners and employees.

**Register for the event.**
