The 2018 Board Agenda

Challenges and opportunities abound, clouded by risks more surreal than ever. A forecast for boards on priorities, governance, pricing season issues, and more. 25

Download the article.

1. Create a technology learning plan.
2. Assess advanced technologies and their potential impact on your business.
3. Elevate board skills and competencies.
4. Reconsider which companies might be future competitors.
5. Identify internal and external experts.
