

Sexual Misconduct and D&O Claims

Insight

Companies that have the suggested processes and procedures in place are less likely to find themselves getting hit with these kinds of claims, writes Kevin LaCroix in The D&O Diary.

Assessing the Ability to Change Culture – Complimentary Article from NACD

Insight

The NACD has published a complimentary article titled “Assessing the Ability to Change Culture,” providing a quick overview of best practices set forth in the Report of the NACD Blue Ribbon Commission on Culture as a Corporate Asset.
