

Three Areas Where Boards Can Improve Performance

In a new **on-demand video**, TK Kerstetter, host of “Inside America’s Boardrooms,” reviews three areas where many boards can improve their performance and effectiveness. Topics include board composition & leadership, board evaluations, and shareholder engagement.

Kerstetter also discusses PwC’s recent Annual Corporate Directors Survey, which reported that 39 percent of directors feel that at least one fellow board member should be replaced.

Ty Francis, EVP & Group Publisher of the Ethisphere Institute, joins in the discussion.
