

10 Contract Management KPIs Every Org. Needs

A critical component to improving the performance of your contracts and contracting process is to establish measurable key performance indicators (KPIs). But where do you begin, which KPIs should you track, and how do you tackle establishing them?

Join our team on Friday, May 15th at 12:00pm ET to learn about 10 contract management KPIs that every organization can benefit from. Our experts will discuss what they are, why they're important, and how to leverage them. By implementing the KPIs covered in the session, you can immediately identify ways to optimize and streamline your contract management efforts while reducing risk to your business.
