2015 Energy and Sustainability Priorities and Predictions

Ecova will present a free webinar to discuss the results of a survey of more than 500 energy and facility professionals. The webinar will be Thursday, Jan. 29, at 2 p.m. EST.

The goal, according to Ecova's website, is to inform and share best practice expertise into the areas that represent the most opportunity and greatest challenges.

Topics wil linclude trends that illustrate the evolution of energy and sustainability management, insights into what your peers consider their biggest challenges and opportunities, and short- and long-term elements to include in 2015 planning.

Register for the webinar.
