

23 Tips for Drafting Employment Arbitration Agreements

Careful drafting of employment arbitration agreements due to the U.S. Supreme Court's decision affecting an employer's ability to enforce such agreements is critical, warn Art Silbergel and Kacey Riccomini in **a post** on Thompson Coburn's website.

The publication states "In the interim, employers and their counsel need to carefully consider options in drafting arbitration agreements that address the new law that may help in compelling a court complainant to arbitrate the claims. Anyone creating, revising or reviewing agreements to arbitrate employment disputes should consider" their 23 tips.
