

302 Bradley Attorneys Listed in 2021 The Best Lawyers In America and Best Lawyers: Ones to Watch

Bradley Arant Boult Cummings LLP is pleased to announce that 265 of the firm's attorneys are included in the 2021 edition of The Best Lawyers in America®, and 37 attorneys are included in Best Lawyers: Ones to Watch. Firmwide, 84% of Bradley's partners and 55% of all the firm's attorneys are listed.

In addition, Bradley has 28 attorneys that are named "Lawyer of the Year." In each metropolitan area, only a single attorney in each legal practice area is designated as the "Lawyer of the Year."

The Best Lawyers in America®, which is now in its 27th year, is one of the most highly regarded attorney referral publications in the country. The inaugural edition of Best Lawyers: Ones to Watch recognizes attorneys who have been in practice for less than 10 years and exhibit outstanding professional excellence in private practice in the United States.

"We are proud of all our attorneys who are listed in this year's edition of Best Lawyers as among the top attorneys in the nation," said Bradley Chairman of the Board and Managing Partner Jonathan M. Skeeters. "This recognition is an impressive testament to the legal knowledge and excellent client service to which our attorneys are committed."

Attorneys are selected for Best Lawyers through extensive surveys of leading lawyers who assess the legal abilities of their peers. Lawyers are not permitted to pay a fee to participate or be recognized. The 2021 edition is based on

more than 7.8 million evaluations and recognizes more than 60,000 attorneys in 145 practice areas.
