

312 Bradley Attorneys Listed in 2022 The Best Lawyers in America and Best Lawyers: Ones to Watch

Bradley Arant Boult Cummings LLP is pleased to announce that 266 of the firm's attorneys are included in the 2022 edition of The Best Lawyers in America®, and 46 attorneys are included in Best Lawyers: Ones to Watch.

In addition, Bradley has 29 attorneys that are named "Lawyer of the Year." In each metropolitan area, only a single attorney in each legal practice area is designated as the "Lawyer of the Year."

The Best Lawyers in America®, which is now in its 28th year, is one of the most highly regarded attorney referral publications in the country. The Best Lawyers: Ones to Watch list recognizes attorneys who have been in practice for less than 10 years and exhibit outstanding professional excellence in private practice in the United States.

"This recognition is truly an honor as it demonstrates our attorneys' commitment to client service and excellence in the legal profession," said Bradley Chairman of the Board and Managing Partner, Jonathan M. Skeeters.

Attorneys are selected for Best Lawyers through extensive surveys of leading lawyers who assess the legal abilities of their peers. Lawyers are not permitted to pay a fee to participate or be recognized. The 2022 edition is based on more than 10.8 million votes and recognizes more than 66,000 attorneys.
