

5 Trends That Will Shape Legal Practices in 2021

“Paradigm-changing shifts in demographics, client expectations, technology, and work styles have given rise to a host of distinct trends in the legal industry,” writes Sally Kane in *American Legal Magazine’s Articles and Stories*. “As law firms position themselves to succeed in 2021 and beyond, understanding and leveraging these trends will help firms become more efficient, productive and competitive in the coming year.” She discusses the top five trends that will shape legal practices:

1. New Talent & Hiring Strategies
2. Increased Focus on the Client Experience
3. Emerging Technologies
4. Micro-Niches
5. Broader Commitment to Diversity, Inclusion and Equality
