Above the Law's Outside Counsel Rankings: GCs Reveal Their Go-To Firms

Above the Law has published the results of its **2019 Outside Counsel Rankings**, based on surveys of in-house counsel at top companies.

Approximately 1,000 in-house lawyers – from nearly 500 companies and more than 40 cities – responded with evaluations of their outside law firms. The survey asked two questions: 1.) "Which law firms does your company engage for legal services?" and 2.) "Please indicate the highest level legal work for which your company will engage the particular firm(s)."

Responses led to the rankings, in which 50 firms were grouped in two tiers.
