

Aligning HR and Business Strategy

SilkRoad has posted a free on-demand webinar offering a look into the strategic practices of more than 300 HR professionals as told by their responses to SilkRoad's recent Strategic HR Survey.

The webinar covers topics such as:

- Do your HR strategies align with company goals?
- How do you measure the effectiveness of human resources on the organization's bottom-line?
- Are you meeting with top-level executives to establish guidelines for HR planning?
- Have you aligned workforce plans with individual departmental goals?
- How frequently do you measure and benchmark HR initiatives?
- Are you developing a reactive or strategic HR practice?
