

AZA Named Among Top U.S. Patent Firms in International IP Guide

Ahmad, Zavitsanos, Anaipakos, Alavi & Mensing P.C., or AZA, is recommended as one of the top seven U.S. plaintiff patent firms by the London-based intellectual property magazine *Intellectual Asset Management (IAM)*.

The magazine's guide to the world's top patent lawyers in key jurisdictions also named AZA partner Amir Alavi a silver-level recommended Texas patent litigator. Alavi was hailed for his work in the record-breaking case *Versata Software Inc. v. SAP America Inc.*

"Amir Alavi, who played a lead role on the matter, is one of those guys who, without huge troops of people working for him, gets a lot done and carves out big wins. He is extremely smooth and capable in court," says the *IAM Patent 1000 2015 – The World's Leading Patent Professionals*.
