Bad News Keeps Coming for Biglaw Firm LeClairRyan

The Biglaw firm of LeClairRyan, already in the news after issuing WARN Act notices to staff warning about possible mass layoffs, has lost founding partner Gary LeClair, according to **Above the Law**.

The report says LeClair will be taking two other partners with him to Williams Mullen as of August 5.

"For over a year now the firm has seen a flood of partners and senior attorneys exit," writes Above the Law senior editor **Kathryn Rubino**. "Almost 10 percent of LeClair's headcount departed in 2018, and the trend has continued in 2019. Indeed, just earlier this week a 15-attorney group from LeClairRyan – the aviation group led by Mark Dombroff – departed."
