

Beginning the Biglaw Lateral Process: A Guide for Associates

“The current Biglaw lateral market is overwhelming. There are more variables influencing associates career planning and strategic decision making than ever before. A byproduct is that getting started on a lateral search can be intimidating. My goal here is to advise you on how to take the first few steps,” reports Above The Law in their blog.

“Because the way in which you target and contact firms can hugely influence your ability to make a change. Below is a list of factors I encourage you to consider, and a quality recruiter will view each as an opportunity to maximize the likelihood of attractive offers. Take advantage of active markets like this one to at least do your diligence.”
