

Biglaw Lawyer Becomes Impromptu Champion Of D.C.

“Amidst all the awful of yesterday, there was a viral moment caught by Norwegian journalist Veronica Westhrin capturing the frustration and horror of D.C. residents watching their town get defaced by a gang of ignorant white supremacists high on delusions of widespread voter fraud and whipped into a frenzy by a deranged lame duck president,” reports Joe Patrice in *Above the Law’s Biglaw*.

Peter Tracey, Senior Counsel at Perkins Coie. was filmed “standing on his stoop yelling at the rioters besieging the city and a Black woman passing by in her car share their anger and sorrow as an unprecedented assault took place in their city. Neighbors connecting in a crisis.”
