

# Bradley Attorneys and Practice Ranked Nationally for Product Liability & Mass Torts in Chambers USA 2021

Bradley Arant Boult Cummings LLP is pleased to announce that the firm and four partners were nationally ranked for Product Liability & Mass Torts by Chambers and Partners in the 2021 edition of the prestigious and independent

Chambers USA legal industry referral guide. Chambers USA ranked Bradley as one of only seven firms in the country as “Tier 1 – Highly Regarded” for its Product Liability & Mass Torts practice.

The following Bradley attorneys were ranked nationally for Product Liability & Mass Torts:

- Lindsey C Boney IV (Birmingham)
- William F. (Will) Goodman, III (Nashville)
- Tripp Haston (Birmingham)
- Kimberly B. Martin (Huntsville)

In addition to the Chambers USA recognition, the firm was ranked nationally as a Tier 1 firm for Product Liability and Recall in the 2021 edition of Benchmark Litigation, and five partners were recognized as National Practice Area Stars for Product Liability. Part of the Litigation Practice Group –

which is the firm's largest practice and includes almost half of the firm's nearly 550 attorneys – Bradley's Product Liability team represents clients in industries and jurisdictions throughout state and federal court systems in litigation over a diverse range of consumer products, including tires, construction equipment, pharmaceuticals, and medical devices. The team serves as national and regional counsel in all aspects of litigation, such as expert development, company witness preparation, factual and medical discovery, trial, and appeals. Whether preemptively developing strategies for litigation of specific products or product lines or taking litigation to the trial stage, the firm's attorneys have a superb record of taking cases to verdict and handling all aspects of the appellate process.

Chambers USA 2021 ranked more than 8,000 law firms and almost 22,000 lawyers across more than 2,000 practice areas/sectors on a state and national level. Chambers and Partners determines its rankings of leading U.S. firms and attorneys through in-depth research and interviews with law firms, clients and third parties, and this year reviewed more than 10,000 submissions. Chambers assesses attorneys on attributes most valued by clients, including technical legal ability, professional conduct, client service, commercial astuteness, diligence, and commitment. Most attorneys are ranked in bands of 1-6, with all band rankings considered to be a significant achievement. Some attorneys earn specialized Chambers designations including "Recognised Practitioner," which indicates an attorney who handles notable matters and/or has received some recommendation, and "Star" individual, which is awarded to lawyers with exceptional recommendations in their fields. The Chambers USA guide is widely read by industry-leading companies and organizations nationwide. For more information, visit <https://www.chambersandpartners.com>.
