Bradley Named a “Frequently Recommended Law Firm” by BTI Consulting

Bradley Arant Boult Cummings LLP is pleased to announce that the firm was named to the list of “Frequently Recommended Law Firms” in the 2021 BTI Consulting Group report, “The BTI Most Recommended Law Firms 2021: The Firms Top Legal Decision Makers Recommended Above All Others.”

“It is an honor to be recognized in this prestigious list among such a high-caliber group of law firms,” said Bradley Chairman of the Board and Managing Partner Jonathan M. Skeeters. “We are proud to be recommended for our level of service, commitment and quality.”

The report is compiled by BTI Consulting Group, an independent market research and intelligence firm. The research entails more than 350 in-depth interviews with key legal decision-makers at companies across more than 15 industries between April 2020 and June 2021. All responses regarding recommended law firms are unprompted and, according to BTI, superior client service is the leading driver of recommendations. Bradley is among 26 law firms in the “Frequently Recommended Law Firm” list, a category designated for firms exceeding client expectations.
