

Bridgeway Offers Matter Management and E-Billing Buyers' Guide

Bridgeway Software is making available copies of its first ever, in-house, matter management and e-billing buyers' guide.

The ebook, vetted by seasoned, in-house professionals, is designed to offer a framework for legal departments to:

- Understand matter management and e-billing systems and their uses/benefits
- Conduct an internal analysis and define requirements
- Develop goals for a software solution, and prepare for adoption
- Evaluate vendors, the functionality of their systems, and the requirements for implementation
- Select a vendor based on the fitness of the solution, the likelihood of a viable, long-term relationship, and key points of differentiation
