Buchalter Adds Glasgow and Van Duzer as Shareholders in Los Angeles Office

LOS ANGELES, Dec. 10, 2025 – Buchalter has expanded its Trusts and Estates group with the addition of Elizabeth Glasgow and Jennifer Van Duzer as shareholders in its Los Angeles office.

Glasgow will also assume the role of national Co-Chair of the Trusts and Estates group, alongside current Chair Gordon Stuart. She brings experience in estate, tax, fiduciary, and philanthropic planning from her previous role as a partner at McDermott Will & Emery. The Chambers High Net Worth Guide recognizes Glasgow. It is a fellow of the American College of Trust and Estate Counsel.

Van Duzer joins Buchalter following a career representing clients in closely held businesses, real estate, and entertainment. Her addition, alongside Glasgow, contributes to the firm’s ongoing expansion of its private wealth services.

Earlier this year, Buchalter added two new shareholders to its Trusts and Estates group in Chicago, marking a period of rapid growth for the practice.

Buchalter is a full-service business law firm with nearly 600 attorneys across 11 states, serving clients in sectors including finance, real estate, health care, and intellectual property.
