

Buchalter Nemer Named Best Place to Work in Orange County

Buchalter Nemer was recently named as one of the 2016 Best Places to Work in Orange County. This county-wide survey and awards program was designed to identify, recognize and honor the best places of employment in Orange County, benefiting the county's economy, its workforce and businesses, the firm said in a release.

"We've experienced prolific growth in our Orange County office having quadrupled in size in the last decade—and this recognition is a testament to our strategic, smart lawyers who not only efficiently meet our client's demands, but who also create a work environment that is collaborative, welcoming and enjoyable for all," said Adam Bass, President and Chief Executive Officer of Buchalter Nemer. "I'm pleased to accept the honor on behalf of the firm and thank the Orange County Business Journal for their consideration."

Buchalter Nemer entered a two-part selection process to be considered for the award, which included an evaluation of the firm's workplace policies, practices and demographics and an employee survey, which was worth approximately 75 percent of the total evaluation. The awards program was created in 2009 and is a project of the Orange County Business Journal and Best Companies Group.

The ranking of the winning organizations was released in a special section of the Orange County Business Journal's July 25 issue.
