C2C Sponsors New Webinar on Defensible Deletion

- C2C Systems will present a complimentary webinar on the latest cases involving defensible deletion.

The webinar will begin at 4 p.m. Eastern time on Thursday, July 10.

Presenters will be Mike Taylor at C2C Systems, John Montaña of John C Montaña & Associates, Brent Gatewood of consultIG and Rich Turner, C2C's VP of Business Development.

During this live, interactive webinar the panelists will look at recent case law regarding deletion and will discuss 'best practices' companies need to incorporate when they deploy a deletion strategy and automated software solutions that make deletion possible.

Topics will include:

- Examples of supporting case law
- Mounting defensible deletion strategies – Who, When and How?
- The ongoing value of defensible deletion

CLE credit has been applied for this webinar and extended to legal professionals who attend.
