

California Expands Lawsuit Against Activision-Blizzard: What you Need to Know

“It’s been a tumultuous month for Activision Blizzard, a gaming giant that was sued by the state of California. Since the company was accused in July of discriminating against its female workforce and running a toxic workplace environment, it’s seen protests from hundreds of employees and several key,” reports Daniel Van Boom in their Cnet.

“The suit, filed by the Department of Fair Employment and Housing on July 20, argues that the company has a “frat boy” workplace culture and alleges several alarming incidents of discrimination and harassment. On Monday, DFEH expanded its suit against Activision Blizzard, and claimed the company had obstructed its investigation.”
