Zapproved Presents Webinar, ‘Stories of Bringing E-Discovery In-House’

Event, Dec. 6, 1 p.m. EST

Three leading in-house legal professionals will discuss why and how they decided to move much of their electronic discovery functions inside the company, including preservation, collection, and processing.

Best Practices for Litigating in the Age of Social Media

Event, Dec. 7, 1 p.m. EST

Social media is a part of the litigation equation that attorneys can no longer ignore. Whether in the context of pre-litigation investigation, discovery, or trial, understanding how to use social media content and metadata to pursue and defend claims has become critical.

Pension & Welfare Plan Overpayments: What’s An

Employer To Do?

Event, Dec. 6, 1 p.m. EST

Tax and employee benefits counsel must often advise their clients on best practices for handling potentially costly pension and welfare plan overpayments. Overpayments made in self-funded group health plans due to excessive charges by out-of-network providers and pension-plan overpayments on account of administrative errors may require potential contributions by the employer and lead to costly liability.

2016 Year in Review: Trade Secrets and Non-Compete Developments

Event, Nov. 30, 1 p.m. EST

Many businesses progressively fear that their trade secrets and valued business relationships are at risk of attack by competitors – and even by their own employees. Do you know what it takes to protect those critical assets in the ever-changing world of trade secret and non-compete law?

Webinar: Determining the

Value of One Patented Feature

Event, Nov. 17, 11 a.m. CST
