

The Latest Headlines and How to Keep From Becoming a Headline Yourself

Portland, Oregon-based **Compli** offers an **on-demand webinar** designed to help companies avoid unethical conduct that can drag them into news headlines, costing the companies dearly by impacting both their reputation and their bottom line.

The webinar covers the key elements for a successful ethics and compliance program, and how to keep your company from making the same costly mistakes.

Speakers are Ambyr O'Donnell, corporate law consultant, and Rick Ruden, Compli's resident ethics and compliance expert. The discuss:

- New and noteworthy ethics and compliance issues emerging in the media
- The 5 key elements of a successful ethics and compliance program
- How these issues impact you

Watch the on-demand webinar.
