

Demonstration of The Guard: HIPAA Compliance Solution

The Compliancy Group will present a free webinar demonstrating the Guard HIPAA Compliance Tracking Solution, which allows you to self audit your organization, simplifying HIPAA Compliance.

The 90-minute event will be Tuesday, March 10, beginning at 2 p.m. Eastern time.

“You can achieve illustrate and maintain compliance in one cost effective solution,” the Compliancy Group says on its website. “The Guard’s total solution will identify your gaps, provide remediation plans and includes policy, procedures, training, incident and Business Associate management.”

Bob Grant, Chief Strategy Officer and co-founder of The Compliancy Group, will conduct the demonstration. He will be taking questions from the audience on all aspects of HIPAA Compliance.

Register for the webinar.
