Preparing for the Upcoming 2016 HIPAA Audits

As a part of its complimentary HIPAA education series, **Compliancy Group** will present a **webinar** on best practices for preparing for upcoming 2016 HIPAA audits, with lessons and examples from past breaches and fines.

The webinar will be Thursday, Jan. 28, beginning at 2 p.m. Eastern time.

“With 2016 audits looming in the headlines there is no doubt you should be prepared for the long overdue, stricter audits.” the company says on its website. “Past violations will be analyzed: causes of the incidents, gaps, and remediation. Learn from experts about how to stay out of the headlines, avoid penalties and protect your reputation.”

Register for the webinar.
