

Complying with the Americans with Disabilities Act

✖ Davis, Brown, Koehn, Shors & Roberts, P.C. has posted a complimentary on-demand webinar discussing compliance with the Americans with Disabilities Act.

Amendments to the ADA have expanded the law's coverage and employers' responsibilities under the law, the firm says on its website.

"This session will help you understand your responsibilities under the ADA," according to the website. "During the session, we will focus on case studies and real world scenarios to help prepare you for ADA compliance."
