

Cooley Remains #1 Most Active Global Firm for Deals

“PitchBook has again ranked Cooley as the #1 most active global law firm for all deals in its Q3 2020 Global League Tables – marking the second consecutive quarter Cooley has earned the top spot,” posts *Cooley in their News*.

“Across all deal types, Cooley was credited with 339 disclosable deals last quarter, representing more than \$30 billion in combined deal value. The data also confirms Cooley as the #1 most active law firm in the US and globally for venture capital and #1 in venture capital deals across multiple sector categories, including pharma and biotech, healthcare systems and services and IT hardware, and US regional categories, including the West Coast, mid-Atlantic, mountain, south and Great Lakes. The firm is also #1 for late-stage deals and #1 for all company-side deals in the US and globally.”
