

Deutsche Bank Names Steven Reich General Counsel for Americas

Deutsche Bank AG has named Steven F. Reich, a former official at the U.S. Department of Justice and attorney for former President Bill Clinton, as its general counsel for the Americas.

Reich was a partner at Akin Gump Strauss Hauer & Feld in New York. He will join the bank in April, reporting to Deputy General Counsels Simon Dodds in London and Christof von Dryander in Frankfurt, according to Michele Allison, a spokeswoman for the bank.

His move, reported by *The New York Times*, comes at a critical time as the company faces criminal and civil investigations into interest rate manipulation and currency rigging.
