Digitize Your Business: Defining Your E-Signature Requirements

eSignLive by Vasco will present a complimentary webinar titled "**Digitize Your Business: Defining Your E-Signature Requirements**" on Wednesday, March 8, 2-3 p.m. Eastern time.

Guest speaker Craig Le Clair from Forrester Research will talk about the driving forces behind e-signature adoption, both locally and abroad, and how to define e-signature requirements.

This 60-minute presentation will address:

• The integrated components of a digital business

• What's driving e-signature adoption in regulated industries

• B2E, B2B, and B2C e-signature use cases

• Defining key e-signature integration requirements

• Top e-signature evaluation criteria from your peers

All attendees will receive a complimentary copy of the recent Forrester report, Vendor Landscape, E-Signature, Q4 2016.

Register for the webinar.
