

Termination of Commercial Contracts

An article written by Jeremy Andrews and Talia Taylor of DLA Piper highlights the key points to consider whether you are looking to terminate a contract or challenging an attempt to terminate.

The **paper** covers topics such as reasons to terminate, contractual termination, termination at common law, repudiatory breach, election, anticipatory repudiatory breach, affirming the contract, terminating the contract, termination notice requirements, and practical points.

“Can I terminate my contract? Does the other party have a right to terminate? These appear to be simple questions, but termination of contracts is a complex area of law,” the authors write.
