Download: TMF's Global Benchmark Complexity Index 2015

TMF Group has made available for free download the new **Benchmark Complexity Index 2015** – a global study of corporate governance.

TMF Group's report ranks jurisdictions according to their complexity from a corporate secretarial perspective, and is based on results from a survey conducted across TMF Group offices. In addition, it summarizes and comments upon regional differences, providing insight into the factors which influence complexity in corporate secretarial compliance around the world.

The company says the report covers:

- The relative complexity of maintaining compliance around the world.
- What's driving the changes in different jurisdictions.
- The value of local knowledge and expertise in understanding the nuances of a market complexity.
