

10 Considerations in Drafting Executive Employment Agreements

Drinker Biddle offers a discussion of 10 points to think about in drafting employment agreements that often go overlooked. The white paper is published on the firm's **LaborSphere** blog.

The paper covers such topics as severance, fixed term, restrictive covenants, cause, good reason provision, award equity, state law and venue selection, assignment, and more.

Partner **David J. Woolf** of Philadelphia wrote the paper.

Read the white paper.
