

Endo International Plc Reaches \$50 Million Settlement with New York State and Counties

“On September 9, 2021, Endo International plc announced a settlement with New York state and two New York counties over its sale and marketing of opioids. The plaintiffs had alleged that Endo (and others) falsely marketed opioids, failed to effectively monitor and report suspicious orders,” reports Thomas Sullivan in Policy & Medicine.

“The settlement encompasses a “full, final, and complete release of Plaintiffs’ claims against Endo/Par and other Released Entities and totally and completely bars any further future claims or demands of any kind or character whatsoever as a result of or relating to the Covered Conduct. However, the following claims are not released.”
