Webcast: The Key to Your Digital Business Strategy: E-Signatures

eSignLive will underwrite a complimentary **one-hour web seminar** by AIIM on Wednesday, May 11 at 2 p.m. EDT to examine the money- and time-saving benefits of e-signature software solutions, as well as software selection best practices to help choose a solution that best fits an organization's requirements.

Presenters will be **Ted Rohm**, Senior ERP Analyst, **Technology Evaluation Centers**, and Rahim Kaba, Director of Product Marketing, **eSignLive**.

The event will cover:

- 6 key e-signature software selection criteria and their importance
- Best practices for software selection for finding the best e-signature solution for your organization
- Real-life stories of companies successfully leveraging e-signature solutions
- Justification through ROI

Register for the webinar.
