

2015 E-Discovery Case Law Review

Exterro and General Counsel News are offering for complimentary download a new e-discovery case law white paper to review three must-know e-discovery cases from 2015.

The paper covers:

- How courts are applying traditional principles (e.g. reasonableness, cooperation) in an e-discovery landscape transformed by new types of technology (e.g. mobile, social media).
- Tips for preventing e-discovery mistakes made in each one of these 3 cases.
- Key takeaways that will ensure your e-discovery process is defensible and adjusts to evolving case law standards.
