Debate the Issues: Making Smart E-Discovery Decisions

Exterro will present a **five-part webinar series** in which e-discovery and legal experts will debate the five most controversial e-discovery issues from 2015 and help you stay informed with the latest information around these e-discovery topics.

The series will cover best practices on:

1. Preserving / Collecting New Data Types
2. Reducing E-Discovery Costs without Sacrificing Defensibility
3. Managing Large Volumes of Corporate Data
4. Deciding How and When to Preserve Data
5. Working with IT / Legal Effectively

Register for the webinar series.
