Download: 2016 Law Firm Benchmarking Report

Exterro is offering its new "**2016 Law Firm Benchmarking Report – Staying Competitive in Today's Crowded Legal Market**" for free downloading.

This benchmarking report discusses why changing legal business circumstances will force firms to find ways to increase productivity or risk revenue loss.

The download includes:

- 24-page comprehensive report, which surveyed 112 law firm professionals
- Key topics include how law firms are billing their clients, approaches used for managing legal operations and more…
- Example of one interesting stat: 79% of law firm respondents stated that client expectations have elevated (i.e. clients expect more for less)

Download the report.
