# White Paper: Top 10 E-Discovery Cases from 2016

Exterro has published a white paper titled "**Top 10 E-Discovery Cases of 2016**," which reviews the top e-discovery cases of 2016 and their implications for practitioners.

It's been a year since the Federal Rules of Civil Procedure were amended. That's why reviewing some of the most defining cases in e-discovery during 2016 is vital when it comes to understanding how courts define these new amendments, according to the company.

This white paper discusses:

- The top 10 most viewed or downloaded cases in 2016 from Exterro's E-Discovery Case Law Library
- Simplified case briefs with the key case takeaways and issues
- Expert analysis and resources to help solve or prevent the same mistakes made in these cases
