

Fox Rothschild Scores Win in Texas Civil Contempt Case

A Fox Rothschild LLP litigation team won a victory for client Coventry II DDR/Trademark Montgomery Farm LP, concluding a years-long dispute that originated in a bankruptcy case, according to an announcement from the firm.

Partners Mark Goodman and Michael Rumac led the team.

“In the case, a Texas attorney represented a client against Trademark and filed proceedings seeking sanctions and to hold Trademark in contempt of court for violating the bankruptcy stay,” the firm says on its website. “Not only did Trademark defeat the contempt claims (which were also successfully defended in the first Fifth Circuit appeal) but also, Trademark flipped the tables on [the opposing lawyer] when the court sanctioned her and her firm.”
