

Fears Nachawati Co-Founder Selected to 2019 Texas Super Lawyers List

Trial attorney Majed Nachawati, co-founding partner of Dallas-based **Fears Nachawati Law Firm**, has earned recognition on the 2019 Texas Super Lawyers list.

Nachawati's selection to the annual peer-review listing was based on his class action and mass torts litigation work. He has successfully represented individuals harmed by prescription drugs, medical devices and defective products.

Nachawati is a member of the State Bar of Texas Professionalism Committee, Dallas Bar Association's Legal Ethics Committee, the Public Justice Board of Directors, the Texas Trial Lawyers Association Board of Directors and is a Leader's Forum member of the American Association for Justice. Nachawati also recently earned a spot in the 2020 edition of The Best Lawyers in America.

Researchers for Thomson Reuters-owned Super Lawyers compile the annual list of honorees based on nominations from more than 70,000 practicing lawyers in Texas. A blue-ribbon panel of attorneys assists with final selections. Less than 5 percent of all Texas lawyers earn the honor each year.

The Super Lawyers list is published in the October issues of Texas Monthly and the Texas edition of Super Lawyers magazines. The full list is available online at <http://www.superlawyers.com>.
